

PRESS RELEASE

INCREDIBLE TRAVEL PROMOTIONS FOR 2006

Singapore, 22 February 2006 – Inviting Singaporeans to enjoy instant discounts, worldwide privileges and travel perks, Commonwealth Travel Service Corporation Pte Ltd (CTC Holidays) will be having two fantastic holiday packages and travel deals at unbelievable prices. These will be showcased and opened to public during the CTC Holidays In-house Travel Carnival 2006 from 25 February to 5 March 2006.

CTC Holidays is all ready for another over-whelming response from Singaporeans after the successful CTC In-House Travel Carnival last year that increases the awareness of their new furnished office at Mosque Street. Other than the bi-annual NATAS Travel Fair, organising in-house travel carnivals that excite even the most discerning traveller has been CTC Holidays specialty and forte.

Committed to provide the best travel experience to all customers, free bus service will be provided to shuttle customers from two pickup points - Suntec City Convention Hall and City Hall MRT station exit at Capitol Building, to CTC office at Mosque Street. In addition, CTC Holidays has secured exclusive travel itineraries for attractions in Japan, Korea, Taiwan and New Zealand that would be introduced to Singaporeans for the very first time.

Customers may turn out winning the full-value of their planned holiday with exhilarating “Grab & Win” game that allows them to win up to \$50,000. CTC Holidays has also tied up with Air New Zealand for a lucky draw for all customers who fly by Air New Zealand to win back their trip. Families coming to the carnival would be pleased to see a mini fun fair on the terrace and free plush toys, electric grill and coffee makers to be given to all patrons. Discounts would be given to CTC Travel Card members and new customers who sign up for any tour packages will be entitled to free CTC Travel Club membership that is worth up to \$18.

First 300 Singtel Mobile users to show their telephone bill when buying any CTC tour packages over \$1000 would be given instant cash rebates ranging from \$30 to \$200, depending on their luck on the lucky dip.

CTC Holidays created history in Singapore last year by becoming the first travel agency to move into their own fully-owned office space — a 4-storey block at Mosque Street. This clearly reflects the financial stability of CTC Holidays and their leadership position in the travel industry. Clients have reflected positively to this investment venture and said that it adds much confidence and comfort to them.
